75/06 MINUTES OF PREVIOUS MEETING - The minutes of the previous meeting were agreed. These were signed off by the Chairman for the records. For the record, Peter Kay had not been in attendance at the last meeting, although apparently Paul Kay had, and Robin St.John Smith was definitely not in attendance, although the Secretary felt that he might well have been given the level of input that was credited to his name.

76/06 MATTERS ARISING – Mike Williams had placed an article in the Bucks Free Press, but it had been precied heavily and had therefore lost it's meaning completely. The article had been reference “looking for guidance on how to approach the issue of improving the local road surfaces”.

77/06 CORRESPONDENCES – Jennie Browning had penned a letter to the council re the road surface along Marlow Bottom.

78/06 TREASURERS REPORT – No report submitted owing to Treasurers absence

79/06 PLANNING APPLICATIONS – Mike Sloane was found to be absent this evening, hence there was no planning report given.

80/06 SIR STEVE REDGRAVE PROJECT – A general discussion was taken re the commencement of the proposed sculpture, and all members present voted in favour of commissioning Steve Woodbridge to begin proceedings. The decision regarding the outcome of the plinth was postponed, pending further review at a later date.

81/06 WEBSITE MATTERS – Nothing was discussed nor reported. There has been very little by way of new content, except for the monthly Burford School news letter submitted by Mary Nash.

82/06 ANY OTHER BUSINESS – The recent Rose Carnival was deemed to have been a good event, with approximately £6000 having been taken on the day (subject to confirmation). The meeting was wrapped up within the hour, and thanks were passed to Jennie for her gracious hospitality once again.
