90/05 PLANNING APPLICATIONS – Chas Snare reported on various planning applications, full details of which can be found on Wycombe District Council's web site. Peter Borrows commented on the wooden structure erected on Mr Redgrave Snr's land, questioning whether or not there had been permission granted. A question was also raised regarding the brick structure being erected to the rear of a property on Marlow Bottom road, which looked remarkably like a twin garage, yet there appeared to have been no mention of it in the planning applications received. Chas Snare to review and report accordingly.
