00/06 SIR STEVE REDGRAVE PROJECT

(Secretary) Announced the failure to win backing from Onyx Trust application. After some discussion it was agreed by all members present to cease any further efforts to raise funding for the project, and instead to concentrate on ideas which could be instigated with what funding had already been secured. Ideas were to be considered and aired at the next meeting.

00/06 SUCCESSION PLANNING

There were no volunteers present at the meeting. Peter Crane suggested that all members should take a turn for responsibility against the respective positions perhaps every six months, on a rolling basis in order to alleviate the problem of finding willing members.
